## Display cleaner 2-in-1

Practical set consisting of microfiber cleaning cloth and cleaning agent with built-in spray. It thoroughly cleans the screen and keeps it looking impeccable.

## Refill pack 2-in-1

Refill pack allows twenty refills of the Display cleaner. Practical packaging with screw-top bottle contains 200 ml of cleaning agent.

Products might be delivered in old design until stock lasts.

# Wheel care

Order number

000 096 304C

Recommended price (incl. VAT)

XX EUR

## Wheel rim cleaning gel

Rim cleaning gel is an intensive cleaning agent for removing standard dirt such as brake abrasion residues, pigment dirt, etc. Anticorrosive admixture also protects steel rims against corrosion.

Product might be delivered in old design until stock lasts.

# Summer care

Order number

000 096 311E

Recommended price (incl. VAT)

XX EUR

## Screen wash concentrate 1:100 - Summer

Summer concentrate thanks to its composition is able to clean dirt from your windscreen easily and always provides a clear view out of the car. After diluting it, you get up to 4 litres of highly effective cleaning agent for your car's screen washers.

Product might be delivered in old design until stock lasts.

# Summer care

Order number

000 096 300C

Recommended price (incl. VAT)

**XX EUR**

## Insect remover

Insect removing agent is an effective agent for removing insect residues, pollen deposits or bird droppings from windows, body and plastic components of the car. The agent has also very good adhesion.

*Product might be delivered in old design until stock lasts.*

# Summer care

Order number

Recommended price (incl. VAT)

XX EUR

## Car care kit - Summer

Car care kit is a practical set of products for summer car maintenance. The sponge has a unique composition that reliably removes insect residues while not damaging your car.

### Kit content

- › Wheel rim cleaning gel (500 ml)
- › Insect remover (500 ml)
- › Screen wash concentrate 1:100 - Summer (40 ml)
- › Sponge for insect removing

Product might be delivered in old design until stock lasts.

# Winter care

Order number

5E3 096 311A

Recommended price (incl. VAT)

**XX EUR**

## Screen wash readymix - Winter

Screen wash readymix is an antifreezing agent that prevents freezing of the washing system down to a temperature of - 25 °C. It removes dirt from glass without smudges. Fine film on the glass prevents dazzling from approaching vehicles.

# Winter care

Order number

5E3 096 311

Recommended price (incl. VAT)

XX EUR

## Screen wash additive - Winter

Winter concentrate for window cleaning. It not only cleans the windscreen but also prevents windscreen washer system from freezing. By diluting of the concentrate, you will get up to 5 litres of highly effective screen wash.

# Winter care

Order number

5E3 096 322

Recommended price (incl. VAT)

XX EUR

## De-icer

De-icing agent is an agent allowing quick and reliable removal of hoarfrost on the windscreen in order to ensure unobstructed and good view.

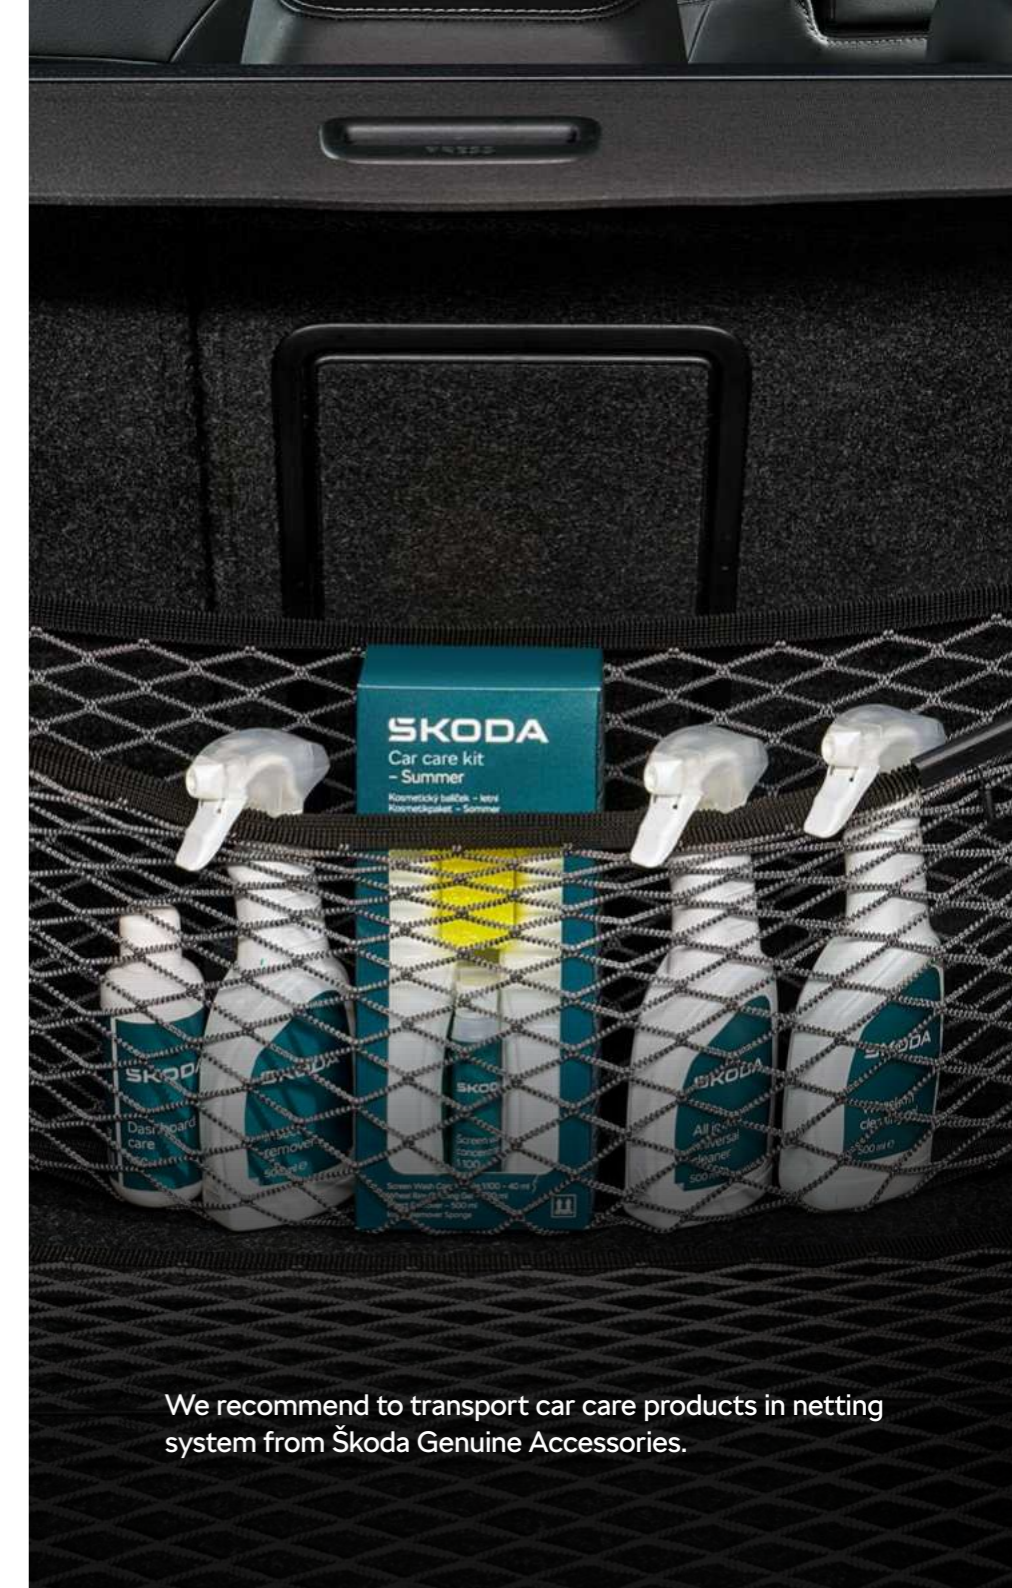

Back side of each product has a foldable sticker with information about chemical composition.

Example of products in old design. These products might be delivered until stock runs out. Some products might also be delivered with different lid colour.

We recommend to transport car care products in netting system from ŠKODA Genuine Accessories.
